Letter from the Director

Welcome to the Putnam County Parks and Recreation Department. We are honored to contribute our services to over 70,000 residents of Putnam County as well as those that visit our county for special events. We would like to sincerely thank all of our recreation program participants and park patrons.

Fiscal year 2023-2024 presented many obstacles for the department, including multiple storms and staffing changes. Despite these minor setbacks, the department has had a successful year, here are a few highlights:

- Reopening of Etoniah Park (AKA Bardin Park) with the addition of a new swing set.
- Multiple new shade structures and lighting improvements at some of our parks and/or sports complexes.
- Generous donations and sponsorships from Kiwanis Club of Azalea City, Putnam County Health Department, GFWC Woman's Club of Palatka, and the Community Foundation of Northeast Florida to reduce costs of swim lessons over the summer.
- Improvements to West Putnam Sports Complex.
- Continued success at our local community and senior centers.

The department's previous director, Kevin Stevens, also retired this year. I want to thank him for his 18 years of service to the department. Congratulations and enjoy your retirement!

We look forward to expanding on the activities we offer for the 2024-2025 year. Keep an eye on our Facebook page to stay up to date on any important department information or upcoming events.

If you ever have any questions or concerns about the Department or its programs, or are interested in becoming a volunteer, please feel free to contact me at 386-329-1268.

2024 | YEAR REVIEW

Winter Adult Softball

Our Winter Adult Softball league has been put on hold until further notice due to maintenance on the fields. We hope to have this activity back up and running for the 2026 season.

Winter Flag Football

The Parks & Recreation Department hosted its annual Winter Program of Flag Football February-March. This year the Flag Football program had 12 teams with approximately 150 players. Summer Aquatics

The Putnam Aquatics Center had a successful 2024 season! The center provided 262 children with swim lessons and the knowledge of water safety skills. The pool this past year has been the busiest it has been since 2020! We had consistent numbers of lap swim participants consisting of 15-20 swimmers every day. Community swim reached a high of 70 swimmers in one day! The ARC community of Putnam County brought joy to the staff and friends with their presence every Friday morning. We are also home to the Putnam Sharks Swim Club & the Palatka High Swim Team.
